From The Editor's Desk . . .

William Campbell High School furnishes the stage on which the school drama of 1962-1963 takes place. The Annual Staff aims to make the scenes of this drama come "to life" by presenting all the phases of the curricular and extra-curricular programs of the school.

The administration, faculty, students, and other school personnel are the players and act the parts that make these days at William Campbell High School memorable ones.

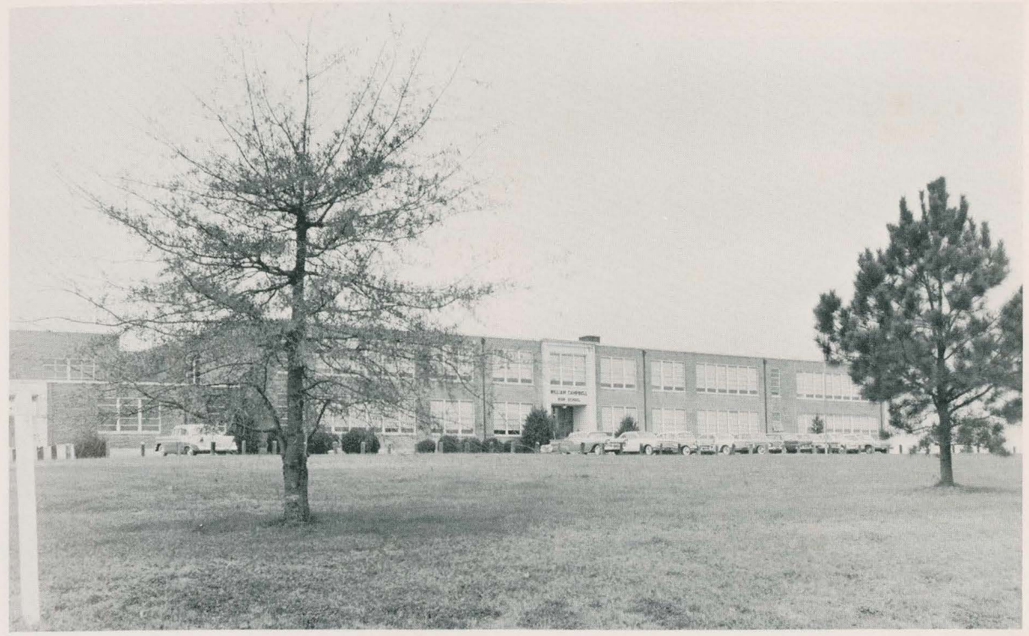
Agriculture Building

William Campbell High School



W. C. H. S.

In the fall of 1951, 251 students from Brookneal, Gladys, and Naruna were enrolled as the first students of the new consolidated William Campbell High School. The total number of faculty members was 16. The building consisted of 11 classrooms, a library, art room, music room, home economics department, a guidance room, projection room, cafeteria, and offices. The elementary building directly behind the high school and the agriculture building, located to the right of the main building, completed the scene for the beginning of the history of William Campbell High School.

The school located on Highway 501, Naruna, Virginia, was named for William Campbell, a general who distinguished himself because of his heroism in the battle at King's Mountain during the Revolutionary War. That first year the high school had three athletic teams known as the GENERALS.

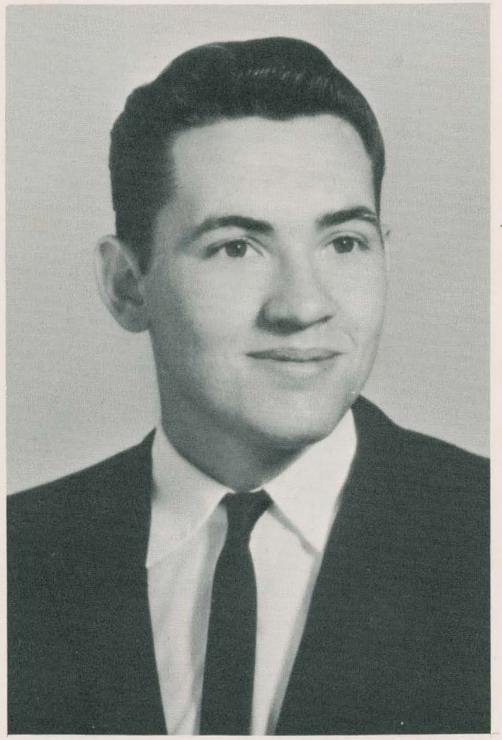
Today, twelve years later, William Campbell High School has an enrollment of 460 students and 23 faculty members. With the addition of a new wing completed in 1961, the building now has three additional classrooms (including a new art room and music room), a new science laboratory, and a language laboratory.

This year William Campbell's first football team appeared on the scene to replace the three year old soccer team. In addition to football, William Campbell now participates in interscholastic basketball, baseball, volleyball, track, and softball. The boys' teams are still known as the GENERALS while the girls' teams are GENERALETTES. The school colors are navy blue and gray.

In Memory of two former graduates of William Campbell High School

FIRST LIEUTENANT KENNETH D. DANIEL
(MAY 4, 1938-SEPT. 19, 1962)

Lt. Kenneth Daniel, son of Mr. & Mrs. C. R. Daniel, Naruna, Virginia, was an honor graduate from William Campbell in 1955 and graduated from Virginia Polytechnic Institute in 1959. He was declared lost and presumed dead following the crash of his plane while on a training intercept mission. He was a Radar Intercept Officer in the Second Fighter Interceptor Squadron. While at William Campbell High School, Kenneth was President of the Student Cooperative Association and served on the Annual Staff, representing the school at Southern Interscholastic Press Association Conference in Lexington during his junior year. He had a perfect school attendance record from grades 1 through 12.



CHARLES SAMUEL SCOTT, JR.
(OCT. 17, 1943-OCT. 18, 1962)

Charles Scott, son of Mr. & Mrs. C. S. Scott, Sr., Brookneal, Virginia, graduated from William Campbell in 1962. He died as a result of injuries received in an automobile accident. While a student at William Campbell, Charles was elected by his classmates as Prince of the Junior-Senior Prom. He served on the newspaper staff and represented the school at the Southern Interscholastic Press Association Conference during his junior year. He belonged to the Future Farmers of America, and as a Monogram Club member he participated in soccer, basketball, and track.

Dedicated in Grateful Appreciation to

MRS. EVELYN HARVEY

The Senior Class of 1963 proudly dedicates this twelfth volume of the GENERAL to Mrs. Evelyn Harvey.

Mrs. Harvey has been a health and physical education teacher at William Campbell for seven years. During this time, she has planned the May Day programs, taken part in various school activities, and coached the girls' basketball team.

Her friendly personality, cooperative spirit, and willingness to help her students and serve her school have made her a true friend to the students and one whom they will always remember.

It took only seconds after the District IV Southern Division Championship basketball game on February 23, 1962, to know to whom the W. C. team credited its victory over the undefeated Altavista team-MRS. HARVEY!

Programs Help Students

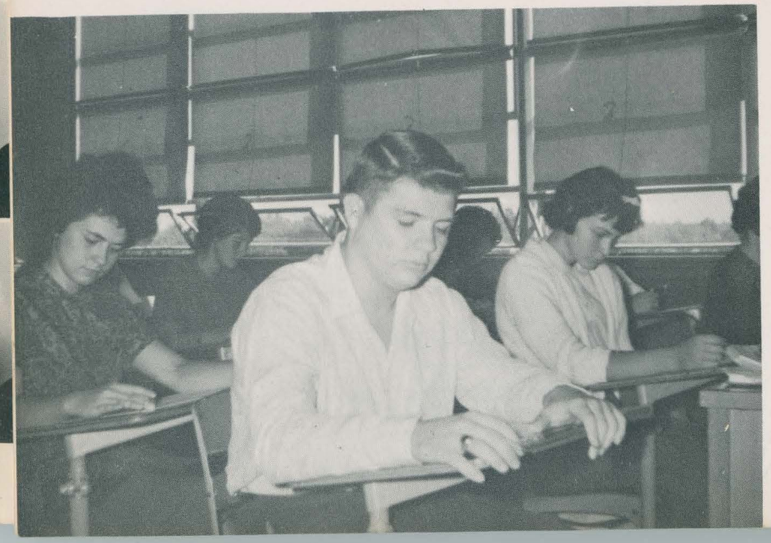
GUIDANCE COMMITTEE

The guidance committee composed of Mrs. Lucille Riegel, Mrs. Mary Maddox, Mr. J. E. Strickler, and Mrs. Bettie Yount helps college bound students select the appropriate college and secure financial aid if needed. It works to help the students who drop out of school to find jobs or to receive special training. The committee organizes vocational guidance units and helps students to make proper adjustments to their school environment.

GUIDANCE COMMITTEE HOLDS CONFERENCES

Mrs. Mary Maddox, Director of Guidance, holds a conference with one of the students, Tommy Lee Mason, Jr., and his mother, Mrs. Dolly Mason.

The guidance committee has charge of the scheduling of classes and planning individual courses of study with students and their parents. In cooperation with a P. T. A. program, Parents Night was held at the school in September to acquaint the parents with their children's teachers and to let them learn their children's class schedule by following it through "a short day at school."



TESTING PROGRAM

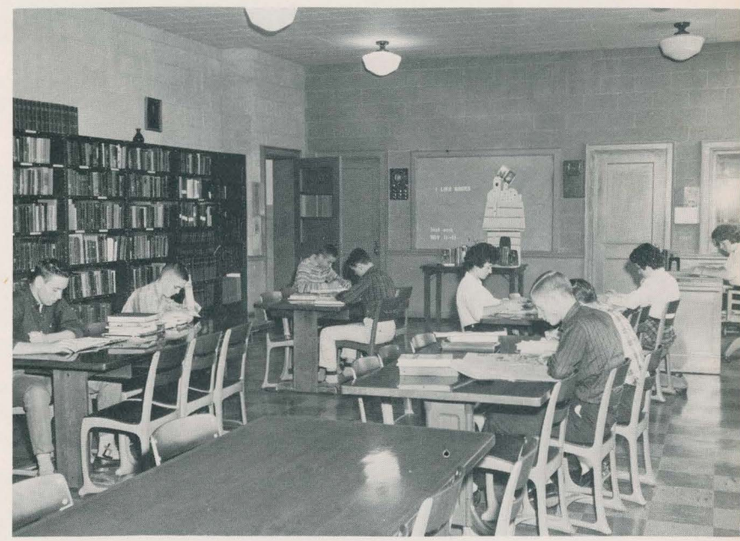
The guidance committee plans and carries out the school testing programs. The State Testing Program in Virginia high schools is composed of two tests: the SCAT (Sequential Test of Educational Progress) given to all ninth and eleventh grade students and to a small percentage of tenth and twelfth grade students each year and the DAT (Differential Aptitude Test) given to all entering eighth graders each year. Pictured is a typical scene of one of the groups during the testing period early in the session 1962-63.

Make Wise Decisions

LIBRARIAN COUNSELS STUDENTS

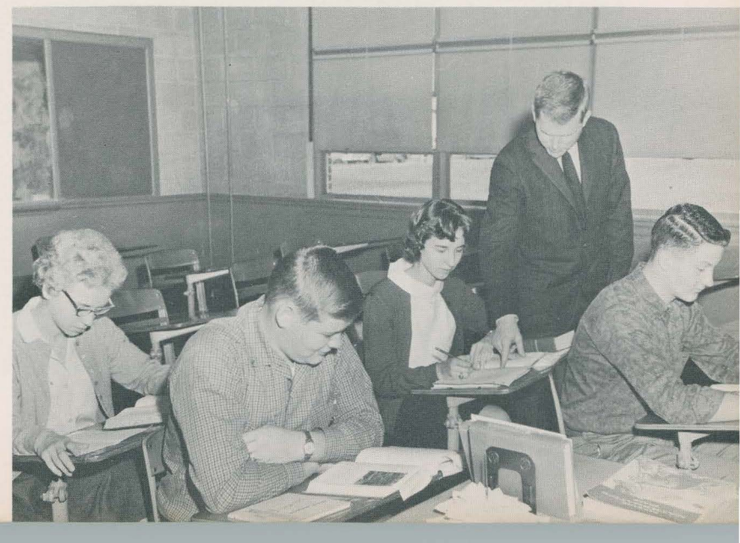
Mrs. Carolyn Lusardi, Librarian, checks out a book to Faye Owen.

The library is an area in the school where students learn to share facilities and materials, to assume personal responsibility as they serve each other as library helpers, and to observe regulations for borrowing books and other materials.



STUDENTS ASSIST THE LIBRARIAN

Linda Clay serves as assistant at the circulation desk during the reading and research time in the library. There are approximately 4,800 books in the library collection. Pupils share 40 periodicals and newspapers and audio-visual materials.



SUPERVISED STUDY HELPS THE STUDENTS

Mr. Howard Hansen helps Sandra Holland with one of her classes as she prepares her assignment in her first period study hall.

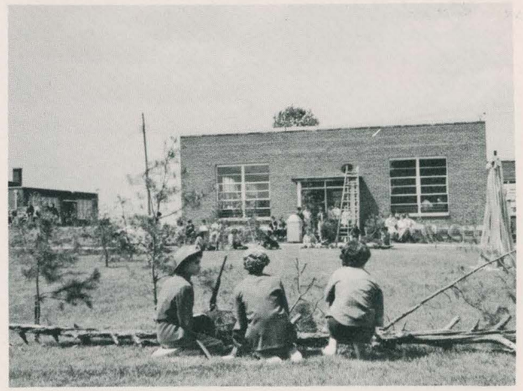
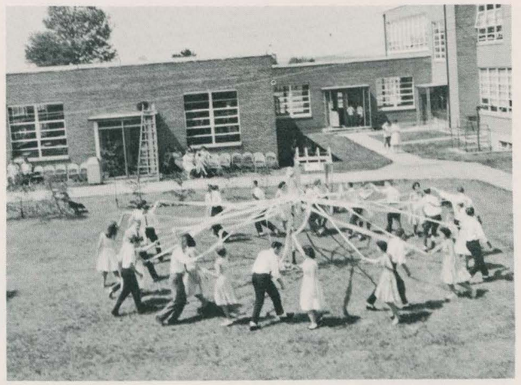
The theme for William Campbell's May Day, which was May 5, 1962, was "The Civil War Centennial". The physical education classes performed the events of the war as they were narrated by various members of the student body.



Tradition at William Campbell's May Day is the May Pole Dance performed by the Senior class. As the final event on the program last May, the class of 1962 happily carried out its role.



Senior Day—And All The Seniors

SENIOR COURT

Jean Lusardi, Nancy Hall, Ann Tonkins, Patsy McDowell, Queen; Earl Lee, King; Larry Ward, and Ronnie Lovelace.

On Friday January 11, 1963, the Senior Class had the first Senior Day ever held at William Campbell. The day started off with a Senior Assembly Program as the underclassmen stood for the Seniors, dressed in class colors green and white, to march in. The program consisted of speeches and singing and was climaxed by the crowning of the King and Queen, voted on by class members from seven nominations.

The highlight of the day was the Senior Candlelight Dinner. The underclassmen honored the Seniors by serving the lunch to them.

The Seniors led by their King and Queen and class president were recognized at the ballgame January 12, 1963.

A dance in the school cafeteria followed the ballgame bringing to a close Senior Day 1963.

At halftime of the basketball game January 12th, the Seniors took the floor, led by King Earl and Queen Patsy.

Three Senior girls, Jean Lusardi, Mary Lee Marshall, and Patsy Coates, see action in the game Januray 12, 1963. They helped to lead the Generalettes to victory over Brookville in the Senior Day event.

The boys varsity (wearing the light jersies) lost to the Brookville Bees in the game climaxing Senior Day. Don Mayberry is the only Senior on the team.

For five exciting days she attended teas and formal balls, participated in parades, and performed in a talent contest at the Mosque.

The climax to the week was the crowning of the new Queen of Tobacco Land during the halftime of the Tobacco Bowl Game.

Return To The Stage—Homecoming

Mrs. Jean Crews and Mr. Ed Kell crown Don Mayberry, King, and Jean Lusardi, Queen, during halftime of the boys' basketball game. The royalties were chosen by the spectators from nominations of the monogram club. A dance was held in the school cafeteria after the ballgame January 19, 1963, in honor of the alumni.

The William Campbell girls gained another victory at the Homecoming Game by defeating the Whitmell girls 39 to 21. Generalettes' Maxine Sowell (13) and Lavonne Stevens (4) await the rebound as other team members rush in to help.

William Campbell's Sammy Holt (10), Larry Walker (44), and David Foster take their shots during the warm-up session before the game January 19th. Their practicing was not in vain as they defeated the Whitmell Indians 55 to 49.

The Snowball Royalties were chosen by the attendants of the dance from candidates selected by the Junior and Senior classes. Beverly Mayberry, Ann Leigh Tonkins, Carol Ann Holt, Vickie Roark, Kenny Holt, and Don Mayberry start serving the refreshments as the band takes a break.

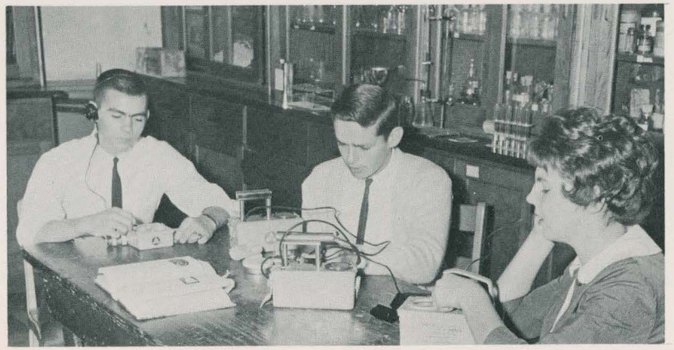
1962—Scenes And Familiar Faces Are

Ann McDowell and Wayne Johnston step off Carl Davis' bus ready to begin the school day. Buses arrive at Wm. Campbell from 8:30 to 8:40 bringing the students from Brookneal, Gladys, and Naruna.

It's to the office for supplies. Pam Holt and Em Harper purchase pencils and paper from Mrs. Nancy Minix, office secretary, as Mr. James Strickler, Principal, signs Jean Lusardi's excuse.

Mr. Mitchell Moon counts the number of students who want to buy lunch in homeroom period. Roll call and devotions over the public address system also take place during the twenty minutes spent in the morning homeroom period (8:50-9:10 a. m.).



Homeroom period ends and the morning classes begin. Earl Lee, Danny DeJarnette and Virginia Rae Colbert study methods of Civil Defense in Mr. Kenneth Booth's Physics Class.

Presented In A Typical Day Setting—1963

It's lunch time at last. The students who have their fourth period class upstaris are in the cafeteria from 11:50 to 12:10; the grade students from 12:15 until 12:55; and the students who have fourth period class downstairs from 12:45 until 1:10. Seniors have the privilege of breaking into the front of the line. Each high school group has a ten minute break following the time they leave the cafeteria.

The cafeteria workers (Mrs. Pauline Hamlette, Mrs. Blanche Pillow, Mrs. Annie Guthrie, Mrs. Annie Gilliland) prepare and serve the lunch to all three groups. They also help with the bazaar supper and the banquets held at William Campbell.

Lunch is over, and it's back to class. Classes regularly last fifty-five minutes with five minutes between each period. On Wednesday the schedule is changed to provide the clubs an opportunity to meet.

School is out, and it's time to go home. Classes end at 3:05 and the day closes at 3:10 when the afternoon homeroom period is over.

The Main Plot Of The Drama—A Summary

Students at William Campbell High School may choose to play roles from both the curricular and the extra-curricular programs of the school. The academic offerings include a wide variety of subjects in the fields of science, math, languages, fine arts, social studies, home-economics, agriculture, commercial, and health and physical education. The guidance program helps the students to choose the school courses which will be most useful to them for present and future living. Participation in the various clubs and sports gives the students an opportunity to broaden their knowledge and improve their skills in the fields of their special interests and talents.

To those who just pass by William Campbell High School it probably represents only another brick building. But to the students, faculty, and people of the surrounding communities it is much more--it is an acredited five-year high school with a definite personality.

Alumni

Fifteenth Year

How did the past fifteen years go?
For many it was planned just so,
College, jobs, and dreams to come true,
With plans for the future to do.

For some it has been happiness,
For others there has been sadness,
But we shall not stumble and fall,
As God is watching over us all. . . . .
